## **On the Road Again...Together**

*-On the Go Dog, Get up and Go Together-*

**FAIRPORT HARBOR, Ohio** – Dog owners know the guilt of seeing the sad face of their best friend peering out the front window when they leave the driveway without the dog on board. With more pet friendly hotels, vacation destinations that include dogs and even cafes with specials service for our canine companions, it has never been easier to include dogs in our travels. On the Go Dog™, an OurPet's Brand, introduces a new line of products that makes it more convenient than ever to take our dogs with us for a quick afternoon trip or even a long weekend away.

On the Go Dog provides solutions for carrying treats, food, water and other supplies while on the go with your furriest friend.

### **Store-N-Feed To Go®**

Keep toys, leashes, food and more nearby at all times with the convenient Store-N-Feed To Go carrying bag/feeder combination. The sturdy canvas bag features roomy pockets on the outside that keep frequent use items easy to access. Inside, the removable tray with two stainless steel bowls (included) functions as an elevated feeder to make dining on the go more comfortable. The space under the tray with bowls provides ample space for extra food, treats, bottled water and more.

### **Walk-N-Water™**

Keep dogs hydrated and happy with the convenience of carrying water and bowl all in one. Fill the 1 liter canteen with water at home or on the go, and remove the convertible lid to use as a bowl. Walk-N-Water includes a convenient carrying strap, so it's easy to take on long walks and is dishwasher safe for easy care.

### **Speed-E-Treat®**

Keep dog treats close at hand for training and travel with this one handed dispenser. Made from sturdy, but soft rubber, Speed-E-Treat dispenses a treat with just a simple squeeze of one hand. Clip to belt loop or leash or carry with the included strap to stay hands free.

### **Speed-E-Drink®**

Sharing bottled water with a dog has never been this easy. Speed-E-Drink fits a standard water bottle and dispenses fresh water into a drinking reservoir for dogs. Clip to a belt or leash for convenient use on the go.

The On the Go Dog collection of travel products is perfect for spring weekend getaways, summer dog park visits, fall walks in the woods and winter holiday travels. All On the Go Dog products are made from strong, durable materials that withstand repetitive washings and will keep man and his best friend side by side – even when they're not at home.

On the Go Dog products are available at retailers nationwide and suggest retail prices range from \$5.99 to \$49.99.
